

ASAB Accreditation Committee statement

CPD requirements for ASAB CCAB accredited professionals during Corona Virus (Covid-19) national health emergency

Given CPD events have been cancelled, and many people are struggling financially, removing any additional costs of CPD is sensible during the current circumstances. ASAB Accreditation are therefore modifying the requirement for CPD during 2020.

Face to face CPD is not available at this time but there are plenty of opportunities to access CPD remotely and we would urge CCABs and those working towards CCAB to participate in the many free and remote CPD opportunities being offered by reputable organisations as possible and to read papers and recent publications from home.
